Tickets & payment

Adult one-way fare: JPY 2,000. Buy a ticket before boarding at Haneda, or use a compatible transportation IC card. Online same-day tickets may also be available.

Best for travelers with luggage

The direct bus avoids railway transfers. Large suitcases can normally be stored in the luggage compartment. Allow extra time because road traffic can cause delays.

Alternative: By train

Allow about 80-95 minutes. The typical fare is about JPY 1,300. At Akihabara, use the Tsukuba Express toward Moriya/Tsukuba. Rapid trains do not stop at Kashiwanoha-campus; use a Semi-Rapid or Local train, or change at Nagareyama-otakanomori if needed.

Upon arrival: The airport bus arrives at the West Exit. Kashiwanoha Conference Center and Mitsui Garden Hotel Kashiwa-no-ha are approximately 2 minutes on foot from the station.
